

15. TABLES SHOWING THE MONTHLY CATCHES LANDED IN CALIFORNIA FOR THE TWO YEARS 1926 AND 1927

In the preceding tables, the catches for each district of the state were shown. These district figures were summed and the results are here presented to show the monthly landings for the state as a whole. As in the preceding tables, these figures are in pounds and include fish landed in California from the territorial waters and high seas off the coast of Mexico.

TABLES SHOWING THE MONTHLY CATCHES LANDED IN CALIFORNIA FOR THE TWO YEARS 1926 AND 1927

In the preceding tables, the catches for each district of the state were shown. These district figures were summed and the results are here presented to show the monthly landings for the state as a whole. As in the preceding tables, these figures are in pounds and include fish landed in California from the territorial waters and high seas off the coast of Mexico.
