<sup>1</sup> Includes 698,741 pounds of carp, 59,225 pounds hardhead, and 157 pounds of spittail landed in Sacramento area. In September 1957 the Legislature closed the Sacramento River to gill nets. Most of the fish landed in that area (salmon and shad) were taken in gill nets. The foregoing small poundage has been combined with the San Francisco area landings.

<sup>2</sup> For origin of shipments refer to Table 24.
