<sup>1</sup> Includes 1934—7,890 pounds, 1939—2,163 pounds, 1941—210 pounds cockles, shipments from Gulf of California.  
<sup>2</sup> Includes 1940—150 pounds, 1941—84 pounds, miscellaneous clams shipments from Gulf of California.  
<sup>3</sup> Cleared weight reported on fish receipts, multiplied by 8 to supply round weight figure given above.

COMMERCIAL FISH CATCH OF CALIFORNIA
