

TABLE 1  
Common and Scientific Names of Fishes, Crustaceans, and Mollusks in the 1960 Catch

| Common name                       | Scientific name                    | Common name               | Scientific name                    |
|-----------------------------------|------------------------------------|---------------------------|------------------------------------|
| FISHES                            |                                    |                           |                                    |
| Anchovy.....                      | <i>Engraulis mordax</i>            | Shark.....                | <i>Cetorhinus maximus</i>          |
| Barracuda, California.....        | <i>Sphyrna argentea</i>            | Masking.....              | <i>Isurus glaucus</i>              |
| Bonito.....                       | <i>Sarda chilensis</i>             | Bonito.....               | <i>Squalus acanthias</i>           |
| Cabezon.....                      | <i>Scorpaenichthys marmoratus</i>  | Dogfish.....              | <i>Triakis semifasciata</i>        |
| Cabrilla.....                     | <i>Epinephelus analogus</i>        | Leopard.....              | <i>Galeorhinus zyopterus</i>       |
| Carp.....                         | <i>Cyprinus carpio</i>             | Thresher.....             | <i>Alopius vulpinus</i>            |
| Croaker, white.....               | <i>Genyonemus lineatus</i>         | Varying amounts of others |                                    |
| Small amounts of queenfish.....   | <i>Seriophilus politus</i>         | Sheep-head.....           | <i>Pimelotopon pulchrum</i>        |
| Flounder.....                     | <i>Platichthys stellatus</i>       | Skate.....                | <i>Raja binoculata</i>             |
| Small amounts of other flatfishes |                                    | Big.....                  | <i>Raja inornata</i>               |
| Flyingfish.....                   | <i>Cypselurus californicus</i>     | Longnose.....             | <i>Raja rhina</i>                  |
| Grouper.....                      | <i>Mycteroperca species</i>        | Smelt.....                | <i>Leuresthes tenuis</i>           |
| Hake.....                         | <i>Merluccius productus</i>        | Grunion.....              | <i>Atherinopsis californiensis</i> |
| Halibut.....                      | <i>Medialuna californiensis</i>    | Jacksmelt.....            | <i>Hypomesus pretiosus</i>         |
| Halibut, arowtooth.....           | <i>Atheresthes stomias</i>         | Surf.....                 | <i>Atherinops affinis</i>          |
| Halibut, California.....          | <i>Paralichthys californicus</i>   | Sole.....                 |                                    |
| Halibut, Pacific.....             | <i>Hippoglossus stenolepis</i>     | Dover.....                | <i>Microstomus pacificus</i>       |
| Hardhead.....                     |                                    | English.....              | <i>Parophrys vetulus</i>           |
| Sacramento black-fish.....        | <i>Orthodon microlepidotus</i>     | Petrals.....              | <i>Glyptocephalus zachirus</i>     |
| Hardhead.....                     | <i>Mylopharodon conocephalus</i>   | Sand.....                 | <i>Psettichthys melanostictus</i>  |
| Herring, Pacific.....             | <i>Clupea pallasi</i>              | Varying amounts of others |                                    |
| Lingcod.....                      | <i>Ophiodon elongatus</i>          | Spittail.....             | <i>Pogonichthys macrolepidotus</i> |
| Mackerel, jack.....               | <i>Trachurus symmetricus</i>       | Sturgeon.....             | <i>Acipenser species</i>           |
| Mackerel, Pacific.....            | <i>Pseudotoporus diego</i>         | Swordfish.....            | <i>Xiphias gladius</i>             |
| Opaleye.....                      | <i>Girella nigricans</i>           | Tuna.....                 |                                    |
| Perch.....                        | Members of family Embiotocidae     | Albacore.....             | <i>Thunnus germon</i>              |
| Pompano, California.....          | <i>Palometa simillima</i>          | Bigeye.....               | <i>Parathunnus sibi</i>            |
| Ratfish.....                      | <i>Hydrolagus collieri</i>         | Bluefin.....              | <i>Thunnus saliens</i>             |
| Rock bass.....                    |                                    | Oriental.....             | <i>Thunnus orientalis</i>          |
| Kelp bass.....                    | <i>Paralabrax clathratus</i>       | Skipjack.....             | <i>Katsuwonus pelamis</i>          |
| Sand bass.....                    | <i>Paralabrax nebulifer</i>        | Yellowfin.....            | <i>Neothunnus macropterus</i>      |
| Rockfish.....                     | All species of <i>Sebastes</i> and | Turbot.....               |                                    |
| Sablefish.....                    | <i>Sebastes</i>                    | Curlfin.....              | <i>Pleuronichthys decurrens</i>    |
| Salmon.....                       | <i>Anoplopoma fimbria</i>          | Diamond.....              | <i>Hypopsetta guttulata</i>        |
| King.....                         | <i>Oncorhynchus tshawytscha</i>    | Hornyhead.....            | <i>Pleuronichthys verticalis</i>   |
| Silver.....                       | <i>Oncorhynchus kisutch</i>        | Small amounts of others   |                                    |
| Sanddab.....                      | <i>Citharus sordidus</i>           | Wahoo.....                | <i>Acanthopagrus solandri</i>      |
| Sardine.....                      | <i>Sardinops caerulea</i>          | Whitebait.....            | <i>Allomerus elongatus</i>         |
| Sargo, California.....            | <i>Anisotremus davidsoni</i>       |                           | <i>Spirinchus starksi</i>          |
| Sculpin.....                      | <i>Scorpaena guttata</i>           | Young of several others   |                                    |
| Sculpin, staghorn.....            | <i>Leptocottus armatus</i>         | Whitefish, ocean.....     | <i>Caulolatilus princeps</i>       |
| Sea bass, black.....              | <i>Stereolepis gigas</i>           | Yellowtail.....           | <i>Seriola dorsalis</i>            |
| Seabass, white.....               | <i>Cynoscion nobilis</i>           |                           |                                    |
| Shad.....                         | <i>Alosa sapidissima</i>           |                           |                                    |
| CRUSTACEANS                       |                                    |                           |                                    |
| Crab.....                         | <i>Cancer magister</i>             | Prawn.....                | <i>Pandalus platyceros</i>         |
| Crab, rock.....                   | <i>Cancer productus</i>            | Shrimp, bay.....          | <i>Crago franciscorum</i>          |
|                                   | <i>Cancer antennarius</i>          |                           | <i>Crago nigricauda</i>            |
|                                   | <i>Cancer anthonyi</i>             | Shrimp, ocean.....        | <i>Pandalus jordani</i>            |
| Lobster, spiny.....               | <i>Panulirus interruptus</i>       | Small amounts of others   |                                    |
| MOLLUSKS                          |                                    |                           |                                    |
| Abalone.....                      |                                    | Clam—Continued            |                                    |
| Pink.....                         | <i>Haliotis corrugata</i>          | Pismo.....                | <i>Tivela stultorum</i>            |
| Red.....                          | <i>Haliotis rufescens</i>          | Washington.....           | <i>Saxidomus nuttalli</i>          |
| Green.....                        | <i>Haliotis fulgens</i>            | Octopus.....              | <i>Paroctopus apollyon</i>         |
| White.....                        | <i>Haliotis sorenseni</i>          | Oyster.....               |                                    |
| Clam.....                         |                                    | Eastern.....              | <i>Crassostrea virginica</i>       |
| Gaper.....                        | <i>Schizothaerus nuttalli</i>      | Giant Pacific.....        | <i>Crassostrea gigas</i>           |
| Jackknife.....                    | <i>Tagelus californianus</i>       | Squid.....                | <i>Loligo opalescens</i>           |
