Division of Fish and Game

Note.—Between February 15 and December 31, 1931, 424,046 pounds of Hardhead, Carp, Split-tail and Fucker were taken from Clear Lake, Lake County, which should be included in the record for this inland water area. We have only the total and not the monthly detail.

\* Sacramento and San Joaquin River systems, San Pablo and Suisun bays, and Lake County.
