Total number of fishes kept by anglers and divers for all of California and Mexico trips. Discards are not included.

Small ports are grouped with neighboring larger ports.

Includes landings made in waters south of the state (mainly off Baja California) .

Unspecified by either CPFV skipper or the report editor; species included in unspecified fishes vary between the port and statewide page.

Includes jumbo squid, CA spiny lobster, Dungeness crab, rock scallop, red sea urchin, sea cucumber, etc.

^{^^} Includes dolphinfish, striped marlin, tunas (bigeye, bluefin, skipjack, yellowfin) - mainly southern CA species.
